

Anatomy for Engineering Students

Welcome to the Dokuwiki of the module *Anatomy for Engineering Students*.

Notes on working in the Wiki

Please consider the information in [E-Learning](#) and the following notes:

- Please familiarize yourself with the Wiki [Using the Wiki](#). You can try out the syntax at the [Playground](#).
- Log in with your own username and password only.
- Do not change articles from other teams (changes can be seen indicated by name of the person, date and time as well as specific information about the changed content).

AES Topics - Summer Term 2020

Articles should be written according to regulations stated in the [E-Learning](#).

- Topic 1 - [Stroke Management](#) - Team T
- Topic 4 - [Robotic-assisted Locomotion](#) - Team C
- Topic 5 - [Artificial Respiration](#) - Team M
- Topic 7 - [Cardiac Infarction](#) - Team J
- Topic 9 - [Renal Failure](#) - Team R
- Topic 11 - [Radiotherapy of Prostate Cancer](#) - Team P
- Topic 99 - [Example Article](#)
